

To,

Prof V Sreekanth  
Head Education Survey Division  
National Council of Education Research & Training, 4th Floor, ZH Block, Sri Aurbindo Marg,  
New Delhi-110066

Dear Madam/Sir,

As you may be aware, IIIT-Delhi is an autonomous Institute of Government of Delhi, which is regarded as one of the premier institutions in the country in education and research in IT. For admission to its very competitive and highly regarded B.Tech. programs, there is a provision of giving up to 10 bonus marks to students who have demonstrated talent and achievement in a few fields by getting highly reputed scholarships/awards. These bonus marks are in addition to the marks secured by a student in paper-1 of JEE (Main).

We are happy to inform you that the Institute's Board has approved that recipients of the following awards/scholarships/competitions given by your organization are eligible for bonus marks:

Scholarship/Award/Competition	Bonus marks
Student has won NTSE scholarship	6 Marks

We request you to kindly inform all recipients of the above awards/scholarships/competitions about this excellent opportunity. We will appreciate if you could also display the above information on your website for the benefit of the students participating in the scholarship/awards/competition being organized by your organization. More about the institution and admission is available at the Institute website: <https://iiitd.ac.in/admission/btech/2017>.

We will be grateful if you could let us know how you have disseminated the information to the potential beneficiaries.

Regards,

*Sheetu*  
Sheetu Ahuja  
Manager (Academics)
