

## Sample FLNAT Test Paper - 1

### Section A - Reading

Total Marks - 50

1. Circle the letter 'R/r' and 'T/t' in the words given below: 1 x 6 = 6

|     |             |        |       |       |
|-----|-------------|--------|-------|-------|
| R/r | <b>R</b> un | Burp   | Truck | Far   |
| T/t | <b>T</b> ap | Bottle | Bat   | Stove |

2. Match the word with their picture: 1 x 5 = 5

|       |                                                                                      |
|-------|--------------------------------------------------------------------------------------|
| Cycle |    |
| Cow   |   |
| Hut   |  |
| Eye   |  |
| Apple |  |
| Bus   |  |

3. Circle any four things shown in the picture:

2 x 4 = 8

|             |        |         |           |
|-------------|--------|---------|-----------|
| <b>Girl</b> | Cycle  | Poster  | Medicines |
| Toffee      | Doctor | Balloon | Pens      |

4. Match the two sides to form complete sentences:

2 x 5 = 10

|                        |                         |
|------------------------|-------------------------|
| Save money             | password with anyone.   |
| Do not share your      | neat and clean.         |
| Citrus juices are      | <b>for emergencies.</b> |
| Keep your surroundings | fruits and vegetables.  |
| Do not drink           | and drive.              |
| Eat fresh              | high in vitamin C.      |

5. Read the poster and mark correct (✓) or incorrect (×):

3 x 3 = 9

(a) Sports help you to lead a healthy life. ( ✓ )

(b) Drugs are good for your health. ( )

(c) Say Yes to Studies and Career. ( )

(d) Music is harmful for you. ( )

**6. Read and mark (✓) for correct or (×) for incorrect:**

**2 x 6 = 12**

As population grow, the need to plant more trees becomes important. Trees absorb carbon dioxide and release oxygen, making the air cleaner and fresher for all living beings. Trees offer fruits, medicine, beautify cities, reduce noise pollution, and provide a peaceful environment to relax. They also protect against natural disasters such as floods. Thus, every step towards increasing green cover is a step toward a safer future.

- |     |                                                 |       |
|-----|-------------------------------------------------|-------|
| (a) | <b>It is important to plant more trees.</b>     | ( ✓ ) |
| (b) | Trees absorb oxygen.                            | (   ) |
| (c) | Trees release carbon dioxide.                   | (   ) |
| (d) | Trees protect from floods.                      | (   ) |
| (e) | Trees do not beautify cities.                   | (   ) |
| (f) | Trees are necessary for a peaceful environment. | (   ) |
| (g) | Trees do not reduce noise pollution.            | (   ) |

## Section B – Writing

Total Marks – 50

1. Write one word that starts with the given letter:

$2 \times 3 = 6$

R- Root

F - \_\_\_\_\_

P - \_\_\_\_\_

C - \_\_\_\_\_

2. Look at the picture and write its name:

$2 \times 5 = 10$

|                                                                                                                   |                                                                                                  |                                                                                                    |
|-------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------|
|  <p><b>Rat</b></p> <p>_____</p> |  <p>_____</p>  |  <p>_____</p>  |
|  <p>_____</p>                  |  <p>_____</p> |  <p>_____</p> |

**3. Fill in the blanks choosing the correct word from the box:**

$$2 \times 4 = 8$$

|                                       |
|---------------------------------------|
| police   market   cycle   hands   jar |
|---------------------------------------|

a) Sarika fell off the cycle while playing.

b) He was going to the \_\_\_\_\_ to buy some fruits.

c) You should wash your \_\_\_\_\_ after going to the washroom.

d) Could you fill up the \_\_\_\_\_ with water?

e) The \_\_\_\_\_ caught the thief on time.

**4. Make sentences using the given words:**

$$3 \times 3 = 9$$

(a) Train- The train left the station on time.

(b) Rice- \_\_\_\_\_

(c) Water- \_\_\_\_\_

(d) Stop- \_\_\_\_\_

**5. Write any two benefits of planting trees:**

$$1 \times 2 = 2$$

(a) \_\_\_\_\_

(b) \_\_\_\_\_

6. Look at the picture given below and write five sentences about it:

$3 \times 5 = 15$

a. Radhika is preparing for an exam.

b. \_\_\_\_\_

c. \_\_\_\_\_

d. \_\_\_\_\_

e. \_\_\_\_\_

**Section C – Math**

Total Marks – 50

1. Count the objects and match them with the correct number:

$$1 \times 6 = 6$$

|                                                                                      |    |
|--------------------------------------------------------------------------------------|----|
|    | 13 |
|    | 6  |
|    | 11 |
|  | 8  |
|  | 26 |
|  | 15 |
|  | 20 |

2. Complete the sequence:

$$1 \times 5 = 5$$

|     |       |           |       |       |
|-----|-------|-----------|-------|-------|
| 12  | 14    | <u>16</u> | 18    | 20    |
| 43  | 46    | 49        | _____ | 55    |
| 75  | 80    | _____     | 90    | 95    |
| 110 | 120   | 130       | _____ | 150   |
| 350 | 400   | 450       | 500   | _____ |
| 800 | _____ | 1000      | 1100  | 1200  |

3. Match the price of the following items with the correct currency:

$$1 \times 3 = 3$$

|                                                                                                 |                                                                                      |
|-------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------|
| <br>Rs. 750   |   |
| <br>Rs. 1200 |  |
| <br>Rs. 80   |  |
| <br>Rs. 30   |  |

4. Solve the following:

$$2 \times 4 = 8$$

|             |      |     |       |                      |
|-------------|------|-----|-------|----------------------|
| <b>68</b>   | 87   | 35  | 88    |                      |
| <b>+ 53</b> | - 69 | x 6 | + 288 | 2 $\overline{)834(}$ |
| <b>121</b>  |      |     |       |                      |
|             |      |     |       |                      |

**5. Sarita wants to distribute pens to her friends on her birthday. She already bought 4 pens. How many more pens should she buy if she has 7 friends?**

$$1 \times 4 = 4$$

---

**6. The price of rice is Rs. 80 per kilo. How much should Ravi pay if he wants to buy half a kilo of rice?**

$$1 \times 4 = 4$$

---

**7. Fill in the blanks:**

$$2 \times 4 = 8$$

**(a) 9 kilograms rice = 9000 grams rice**

**(b) 5000 centimeters cloth = \_\_\_\_\_ meters cloth**

**(c) 7 dozen bananas = \_\_\_\_\_ bananas**

**(d) 2000 milliliters milk = \_\_\_\_\_ liter milk**

**(e) 3.5 liters oil = \_\_\_\_\_ milliliters oil**

**8. Write the time shown in the clocks:**

$$2 \times 4 = 8$$

|                                                                                   |                                                                                    |
|-----------------------------------------------------------------------------------|------------------------------------------------------------------------------------|
|  |  |
| _____ : _____ AM                                                                  | _____ : _____ PM                                                                   |

9. Look at the calendar and answer the questions:

$$1 \times 4 = 4$$

| February 2026 |         |           |          |        |          |        |
|---------------|---------|-----------|----------|--------|----------|--------|
| Monday        | Tuesday | Wednesday | Thursday | Friday | Saturday | Sunday |
|               |         |           |          |        |          | 1      |
| 2             | 3       | 4         | 5        | 6      | 7        | 8      |
| 9             | 10      | 11        | 12       | 13     | 14       | 15     |
| 16            | 17      | 18        | 19       | 20     | 21       | 22     |
| 23            | 24      | 25        | 26       | 27     | 28       |        |

- (a) How many days are there in this month? \_\_\_\_\_
- (b) On which day will March 2026 start? \_\_\_\_\_
- (c) How many Sundays are there in this month? \_\_\_\_\_
- (d) What is the last Sunday of this month? \_\_\_\_\_
