Stories speak...!

Stories are the heartbeat of life, weaving together the bittersweet moments that shape our existence. They ignite our spirit, empower us to face life's challenges, and guide us through the complexities of the world. From the digital age to women's rights, from nature conservation to the pursuit of livelihood, and from embracing life's trials to exercising our right to vote – these stories illuminate the path to a meaningful life. Stories woven around 'Critical Life Skills' not only entertain but also cultivate wisdom, enhance our reasoning, and teach us the art of making informed and thoughtful decisions. Step into the narrative, reflect deeply, and let the stories lead you forward!

Online Module

The Cell for National Centre for Literacy has developed online modules (video programs) for learners, volunteer teachers, and teacher trainers. These modules aim to enhance foundational literacy and numeracy skills while also fostering the development of Critical Life Skills.

Key features of these programs:

- They are available free of cost.
- They cover a variety of topics such as family and community, communication, and more.
- They focus on strengthening foundational literacy and numeracy skills.
- They are tailored to be contextually relevant to the learners' environment.
- They address critical life skills in an integrated manner.
- Each module has a duration of up to 15 minutes, making them easy to use during work or training sessions.
- These programs can be accessed through the following web link -
