

**Worksheet 105**

Sushant was given a picture in math class today and was asked to identify and count the shapes given in it. Let's help Sushant together.

|                  |  |
|------------------|--|
| Total Squares    |  |
| Total Rectangles |  |
| Total Triangles  |  |
| Total Circles    |  |

**We have learnt-** Developing an understanding of shapes like square, rectangle, triangle, circle etc.
