

## Worksheet - 115

### Passbook

#### Read the information:-

A bank passbook is a physical or digital record that details all your financial transactions of a specific bank account, such as deposits, withdrawals, and current balance. It acts as a tangible or virtual logbook, containing account details, personal information, and a history of your account activities, which can be used for transparency, record keeping, and as legal proof of transactions.

#### Fill in the blanks based on the above information:-

1. A bank passbook is a \_\_\_\_\_ or \_\_\_\_\_ record that details all your financial transactions of a specific bank account.

2. The transactions mentioned in a passbook include \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_.
3. A bank passbook acts as a tangible or \_\_\_\_\_ logbook.
4. It contains account details, \_\_\_\_\_ information, and a history of your account activities.
5. A bank passbook can be used for \_\_\_\_\_, record keeping, and as \_\_\_\_\_ proof of transactions
