

Worksheet - 116

**Cheque Book**

A checkbook is a book of paper slips that instruct the bank to transfer a certain amount of money from your account to a recipient. Although digital transactions have now become the primary mode of payment for many people, chequebooks are still necessary for certain financial transactions, especially high-value payments or official documents.

**Kakoli has to write a cheque of Rs 3100 to Shantanu to pay for the books. Let's help her together.**

**Please provide the details mentioned in the blank cheque in sequence -**
