

Worksheet 122

Read the table and answers the questions below.

Token No.	Counter
004	1
003	3
002	2

Devesh and Sanjay both went to the bank to deposit the money. Both were given tokens and were told their counters.

I. If Devesh's counter number is 1 then what will be his token number?

II. If Sanjay's counter number is 3 then what will be his token number?

III. If Devesh is given token number 002 then what will be his counter number?

We have learnt- Recognition and writing of digital numbers.
