Leena is planning a holiday trip with her family outside Bombay to Jodhpur and checks the availability, timings and fares of flight tickets through an app on her mobile. Consider the information given below and answer the questions -

1. What is the lowest fare available?

2. What is the highest fare available?

3. What is the difference between the maximum and minimum fare?

4. Which flight has the minimum flight time?

We have learnt- Solving daily life problems using mobile phone.
