

Worksheet 54**Multiplication facts****Remember:**

Multiplication by zero: If a number is multiplied by zero then the result is always zero.

Multiplication by One: Multiplying a whole number by 1 results in the number itself.

1. Answer the questions based on the above information.

$$1 \times 0 = 0$$

$$0 \times 2 = \underline{\quad}$$

$$1 \times 4 = \underline{\quad}$$

$$5 \times 1 = \underline{\quad}$$

$$2 \times 2 = \underline{\quad}$$

$$2 \times 3 = \underline{\quad}$$

$$6 \times 2 = \underline{\quad}$$

We have learnt - Building multiplication facts.
