

(i) Programme No.: 2.12 Programme Title : Orientation for master trainers in Hindi from Upper Primary to Higher Secondary Stage.

The need to familiarize teachers and teacher educators on the current trends and new perspectives on language education has been felt for the quality improvement in teaching-learning in the classroom. As a follow up to the National Curriculum Framework-2005, syllabi for various stages of schooling were designed. Textbooks have also been developed for various classes. Teachers also need to be familiarized with ideas and trends in language teaching as reflected in NCF-2005 and new textbooks. We have to reach to every teacher of the country with multiple ideas of teaching-learning methodologies in an innovative way. The proposed training will also familiarize the teachers and provide feedback (from the teachers who use the textbooks) for improvement of the textbooks and also for future training programmes. It is proposed to train the teachers in multiphases in different states of the country.

(ii) Specific Objectives :

- i. To organize a five day orientation programme to orient teachers and master trainers of Hindi with new approaches for effective teaching learning processes.
- ii. To familiarize teachers with the ideas and vision of NCF-2005.
- iii. To cater to the needs of the teachers working in the field / state.

(ii) Methodology :

Teachers and master trainers will be invited to participate in the orientation programme. Multiple methodologies will be employed (Discussions, Presentations & Demonstration).
