

As mentioned we request you to provide your valuable feedback on at least one module of your interest. However, we would truly appreciate if you could give us your feedback on all the modules in a section and more if that is possible for you.

Select Module

First, click the 'Select Modules' icon to open the list of sections and modules. Open the module you would like to review by clicking the name of the module of your choice in the list.

In case you may not be able to read the module at one go, you are requested to download and save the module on to your computer. At the end of each module is a link that would take you to the online feedback form for that module.

Although we would prefer receiving your feedback online, you can also choose to email/mail it to the addresses provided below:

Email: feedbackaep@gmail.com

Mailing Address: Dr Saroj Yadav, Coordinator, Adolescence Education Program,
National Council of Educational Research and Training,
Department of Education in Social Sciences and Humanities,
Sri Aurobindo Marg, Hauz Khas New Delhi 110016.
