

Publication of Journals

Indian Educational Review (IER), a prestigious research journal of NCERT, aims to enhance the theory and practice of research in education. The journal covers a wide range of issues, reports, reviews and empirical findings including studies in inter-disciplinary perspectives. The journal is published half-yearly in January and July. The issues upto January 2012 have already been circulated. The others are in pipeline. The priority areas of research under ERIC are publicized through the journal. Printing of lectures delivered by invited eminent educationists and summaries of completed ERIC funded researches are also published.

The Division collects, collates, and publishes research abstracts in a bi-annual journal, named *Indian Educational Abstracts*, to disseminate researches done at the Ph.D. level and also by independent researchers. Research reports and research papers from journals are also covered. The abstracts are published till 2007 after which due to technical reasons, its publication is temporarily suspended. It will be resumed soon.
