Dear Sir / Madam,

We are pleased to inform you that we are proposing to publish a book on the theme - "Inclusive Education in India: challenges before the Nation".

The book needs to cover and address various issues and challenges for implementing and creating inclusive societies in our country

The Editorial board has identified you as one of the expert for this Endeavour. The book will focus on the following areas of Inclusive Education.

1. Inclusive Education-Emerging Perspective

- a) Global Initiatives
- b) Indian Initiatives

2. Inclusion and social justice

3. Legal and Policy framework for inclusion

4. Contemporary Policy and Provision for inclusive education

5. Philosophy of inclusion – Problems and challenges

6. Status of inclusion Education services in India

7. Challenges in providing Inclusive school learning environment

8. Promoting optimal learning Environment in school – Role of Policy makers, educational functionaries and teachers.

9. Research in inclusive education

10. Role of NGOs in creating awareness towards inclusion

We are inviting academicians / Researchers / Teachers / Policy makers / Experts in this field to contribute a chapter in the form of article.

Contributors are requested to maintain full name contact address with pin code, mobile number and valid email I.D. The deadline for submitting articles is on or before 28th January, 2015. Articles should be typed in MS-Word, 12 font, English Times New Roman and send to madhukar.gampala@gmail.com

We look forward to your early reply in the form of contribution.

With regards and best wishes
