Respected Ma'am / Sir,

As we know that the COVID-19 pandemic has highlighted the importance of Hand Washing for reducing the spread of disease and protecting health. As we move beyond the pandemic and into a new normal, it is crucial that we maintain the momentum and move forward together toward universal hand hygiene.

2. The Department of School Education & Literacy, Ministry of Education (MoE), Government of India has decided to observe Global Hand Washing Day (GHD) on 15th October 2021 to highlight the significance of Hand Washing with soap. You will agree that Hand Washing with soap is critical for prevention of transmission of the COVID pandemic during the ongoing phased re-opening of schools. Hence, observation of GHD 2021 will provide a boost to ongoing efforts of Ministry of Education and respective State Education Departments.

3. The theme for GHD 2021 is, “Our Future is at Hand – Let’s Move Forward Together” and aims to mobilize and bring hand hygiene as a fundamental component of public health and safety.

4. In this regard, the following is a suggested list of activities that may be undertaken on this day:

- Work with State SBM(G) functionaries to activate all Swacchagrahis to spread GHD messaging at district level among the students, teachers and parents.
- Engage with District Collectors for HWD celebration in schools where ever open, with appropriate safety protocols.
- Activate Women’s SHGs and Mother/Parent Teacher Associations/SMCs in urban and rural settings for GHD messaging.
- Engage youth groups, tribal communities and other vulnerable groups on GHD messaging.
- Organize ground level activities (wall painting, competitions for children etc.) in collaboration with GPs/ULBs.
- Activate local media channels (TV/radio) as well as social media for GHD awareness.
- 2 -

- Engage with Community Radio Stations to disseminate messaging on GHD 2021.
- Activate frontline workers and institutions under various departments to spread key GHD 2021 messaging.
- Organize webinar and roundtables/panel discussion on GHD 2021.
- Organize television and radio programmes on the theme of GHD 2021.
- Engagement, orientation and mobilization of Civil Society partners.

5. I therefore request you to support and undertake activities to celebrate GHD 2021. The links of materials and information relevant to GHD 2021, prepared/compiled by UNICEF, which may be used for organizing/celebrating Global Hand Washing Day (GHD) on 15th October 2021 are enclosed as Annexure.

Yours sincerely,

With regards,

(Maneesh Garg)
