May I come in, Teacher?

Please come in, Ashok. What's the matter?

I have a bad headache.

Do you want to go home and rest?

Yes please.
Can you go alone? Or should I call your father?

My house is nearby. I can go alone.

All right then. Take care. Thank you.
Let’s Try This

1. **BUTTERFLIES**

Butterflies, butterflies,
Up, up, up.

Butterflies, butterflies,
Down, down, down.

Butterflies, butterflies,
In, in, in.
Butterflies, butterflies,
Out, out, out.

2. Write the colour of the object in the space given.

To the Teacher
Ask the students to stand in a circle and say the poem with actions to match.
Help the students write the colour of each object.
